I am a committed team player with excellent people skills, I thrive in fast-paced environments where I can showcase my self-motivation and ability to adapt quickly. Whether working individually or in groups, I am a fast learner who enjoys taking on new challenges.

Outside of work, my hobbies and interests include fishing and computer gaming, which allow me to unwind and engage in strategic thinking. I also find pleasure in walking and watching films, as they provide me with relaxation and inspiration. In addition, playing pool and listening to music are activities that bring me joy and foster my creativity.

Holder of a full clean driving license.

## Work History

iGameMedia

Graphic Designer/Motion Design

2024 – 2025

At iGameMedia, I was responsible for maintaining brand-aligned databases, file systems and digital asset storage, ensuring all content remained organised and up to date. I also managed updates and content changes on the company's WordPress site to keep our online presence current and accurate. Alongside this, I completed training in motion design, Unreal Engine and Blender to deepen my technical capabilities. I worked extensively in Adobe After Effects, producing high-quality sports broadcast graphics, including full broadcast packs, stat boards and dynamic bet builder designs used across live and promotional content.

Scratch Marketing

Social Media Manager & Graphic Designer

2021 – 2024

I created engaging social media content, including video and graphic assets, and stay current with trends to develop effective campaigns. I manage audience interactions and feedback across platforms. As a creative professional, I produce modern, high-quality visuals that strengthen brand presence. I work closely with clients from concept to final delivery, refining ideas through feedback and ensuring all content aligns with wider business objectives.

Quayside Tyres

Office Receptionist

2019 – 2021

As an office receptionist at Quayside Tyres, my responsibilities include customer intake and payments, meeting deadlines with two teams, discussing vehicle defects with customers, and managing social media content and visual graphics for marketing purposes.
